Thanks, Jacques.

I seem to recall seeing an e-mail suggesting you were dis-invensting in Port Heiden work. Can you clarify whether we should be included in our Seattle-based discussions and oversight? Your involvement, especially from the CERCLA perspective and the on-going AF involvement at the original cleanup site, is, of course, more than welcome....

Dave

This is a preliminary plan for Port Heiden submitted by Weston.
I will also forward the ADEC comments to this letter.

Ms. Aldrich,

Please find the attached proposed corrective action plan for Port Heiden. Please let me know if you would like to discuss after you review, I can set up a conference call if needed.

Thank you
